

Unleashing lawyers too good to mess with

## WHY CHOOSE US?

**To accelerate your settlements**, we build a business-like relationship between you and the adjuster; then our 18-minute settlement testing software makes it safe for both sides to be honest.

**To help you win massive verdicts**, our proprietary software gives you instant access to the minds of the jurors as they type their notes, answer issue-specific questions, and give you individual verdicts. **There is nothing else like it!**

Coaching

Impasse Breaking

## PROBLEMS WE SOLVE

### Client Relationships

Juror feedback helps attorneys objectively demonstrate best negotiation and trial strategy, while preserving and protecting client relationships.

### Trials Become Easier to Justify and Are More Successful

Street-smart data and attorney skill development lead to better results at public trial, enhancing client satisfaction and the reputation of the attorney and firm.

### Advocacy

Develop more powerful jury communication and courtroom leadership, resulting in successful verdicts through testing and proving the optimal theme, and juror messaging.
